Vážení sportovní přátelé,

je tomu již dlouhých 20 let, kdy jsme vám roku 1995 nabídli náš první katalog chovných holubů jako přílohu časopisu Letu Zdar. Byl vytištěn černobíle a tehdy šlo o průlomovou událost. Postupně jsme přešli na jeho barevnou formu, ale vývoj se nezastavil. Elektronická média se hlásila o slovo a nyní téměř každý z chovatelů nabízí své holuby na svých internetových stránkách.

My jsme v posledních letech prošli hektickým obdobím a poslední sezónou, kterou naši holubi absolvovali, nutno podotknout velmi úspěšně, byla ta v roce 2011. Následující rok jsme byli nuceni sezónu předčasně ukončit v její necelé polovině. Nakonec jsme se sice stali 1. Mistry oblasti holubat OS Uničov 2012, ale to byl definitivní konec aktivního závodění. Loňský rok patřil k těm, kdy jsme navíc museli doma bourat staré holubníky kvůli „informační“ činnosti našeho souseda, jemuž přizvukovala část naší rodiny.

Rok 2014 byl ale i rokem velkého budování. Na pozemku ležícím na okraji Šternberka jsme vybudovali testovací stanici Talent **Quatro**, ve které jsme absolvovali s holoubaty některých z vás úspěšně celý závodní program, včetně 509 km finále z chorvatské obce Vrpolje. Zde se budeme realizovat, protože holubářský bacil je velmi nakažlivý. Bez holoubků to prostě nejde.

Vyzkoušeli jsme si, že závodit s Talentem **Quatro** z jižního směru a k tomu s našimi holoubaty v rámci oblasti ze západu prostě nejde, vyzkoušeli jsme si, že nelze ani chovat z velkého počtu chovných holubů. Proč také? Proto byla drtivá většina těchto holubů prodána, ale ne všichni. Ze setrvačnosti a také pro pořadové číslo XX. jsme sestavili letošní katalog, kterému spíše „sedí“ název Minikatalog.

Vaši Bohdana a Standa Matuškoví
